I can't believe we are heading into the middle of August already! In so many ways this year has seemed to stand still and fly by all at the same time. Nearly a year ago when I began considering what my role on the 2020 ANEW board might look like, I couldn't

2020 ANEW Meeting Dates

We have noticed inconsistencies between monthly RSVPs and attendance at during meetings. We recognize 2020 has been a very unusual year for many of our members, sometimes resulting in schedule changes at the last minute. If you pre-registered for a current or future monthly meeting and later determine your plans have changed and you are unable to attend, we understand! Kindly, update your RSVP on the website prior to the meeting deadline to allow us to plan accordingly. If you need any assistance submitting

have imagined it would look like it has the last 7+ months. Despite the unusual year, members of the ANEW board have stepped up to accommodate last minute adjustments - sometimes adjusting the plan multiple times before a final resolution. It has been a blessing to serve this organization alongside engaged board members who are committed providing resources for its members regardless of the twists and turns along the way.

As we enter the second half of the year, it is time to consider new board members to replace those whose terms will expire at the end of 2020. While we are beginning the process now to assemble the slate for the 2021 Board of Directors, the final membership vote occurs during the annual meeting held in October. The ANEW Board is a self-nominating board; which means if you are interested in serving the organization in this capacity, you can submit the [ANEW Board of Directors Application](#) found on our website. (As a reminder, there is a minimum of one year serving on a committee to apply for a board position.)

If you have any questions regarding the process for board member considerations, please feel free to email or call me with any questions.

Dear ANEW Members,

I want to extend a sincere thank you for the honor of being chosen as the 2019 Woman of Action winner. Winning this award was truly a humbling experience and something that I never expected. I am thankful for the business relationships and more importantly, the friendships that I have made from being an ANEW member for the past five years. ANEW presents a unique opportunity for each of us to continue to grow our professional network and build wonderful friendships, which is incredibly important especially during an unprecedented pandemic. Best wishes to each of you as we finish out 2020 and look forward to 2021 with hope and good health.

*Respectfully yours,
