## Letter from the President

ANEW Members,

It's hard to believe December is already here and I'm writing my last President's letter for the newsletter! It has been an honor to serve this organization and I would be remiss if I didn't acknowledge those who made it possible - my family, the board and our membership. While this year has included many challenges, it has also included silver linings. Personally, our family spent a great deal of quality time enjoying the outdoors and most recently we've created new memories while enjoying hot chocolate and Christmas movies. Professionally, there have been numerous opportunities to "think outside the box" when considering ways to remain connected to clients and colleagues.

ANEW has remained a strong organization throughout 2020 with 135 members as of last month. This includes 21 new members joining us during 2020! Our committee members worked hard to provide quality programming, networking challenges, orientation for new members, social media updates and budget management. As we enter 2021, I encourage you to consider someone you might sponsor as a new member or a committee you might join. Both of these are great ways to remain connected and participate in the growth of ANEW.

As we wrap up the last few weeks of 2020, I wish you and your families a Very Merry Christmas and Happy New Year!

Michele Graham  
2020 ANEW President
