## Membership Profile

### 5 Things you Didn't Know about Alohana Jackson

1. When she was in High School, she managed the gymnastics team and was accepted into the National Honor Society.
2. When she was in college, she was a member of the equine riding team and her team won the regional championship.
3. When she was little she wanted to be a horse trainer when she grew up.
4. She would love to vacation in Scotland and Ireland doing tours of castles and historic places.
5. Her lottery winnings would go to a variety of children's charities.

Alohana owns Healthy Living Choices and has recently joined ANEW in December. Thank you for sharing with us!

February is upon us and love is in the air... as in a love for networking! At ANEW, we love to network and what a fabulous organization we have to do just that. We are fortunate to have

an amazing group of professional, accomplished, driven, supportive women that we can learn from, network with and build friendships with. This month, our program is dedicated to "Just Networking". We encourage you to sit with a group of members that you do not know and meet someone new. We also challenge you to bring a guest or two this month.

February is also ANEW's birthday! ANEW turns 37 on February 18. It is remarkable to see how ANEW has grown from an initial 11 women to now 140. We are so thankful to our founding members for starting this organization and providing women with a unique opportunity to connect with one another.

I hope to see all of you at the meeting!
