Think you can beat the clock?

Do you trust your GPS or do you always assume you can get there just a *little bit* faster? Think you can beat the market, too?

We all have subconscious biases, but that doesn't mean they need to get in the way of your financial goals.

How can I help you reach yours?

Letter from the President

It's early February and it's already been a crazy month for Mother Nature. In true Southern Indiana form, we've had snow, ice, warmth and lots of rain! I've always been told, "If you don't like the weather in Evansville, stick around because it will change!" On a positive note, that groundhog claims we will have an early spring. I say bring it on now!!

February is a special month for many people for many reasons. We celebrate love for our partners, spouses, children and our friends. Be sure to let these special people in your lives now how much they are loved and appreciated. In today's busy world, it's so easy to get caught up in life and forget to let someone know you love them. This month's challenge is to take a minute and let those people know how much you love and appreciate them and their support.

February is also a special month for ANEW. A Network of Evansville Women turns 38 on February 19! In 1981 our organization began with 11 members. Today we have grown to over 130 members. We are grateful for our founding members who started our women's networking group and we are especially grateful for all our current members who make ANEW what it is today.

This month, our own Mayor Lloyd Winnecke will be coming by to give his State of the City presentation. You won't want to miss out on hearing all the great things our city is working on. We thank the Mayor for making time for our organization; it's always interesting to hear him speak.

Looking forward to showing you all love on Wednesday, February 27th!

Sincerely,

Angie Hargett

family in the Philippines. She would also put money into a college fund for her children and donate to a few favorite charities.

What does ANEW mean to you, Jennifer?"

"I get to meet a great group of women and be a part of a women's group. I have been to an ANEW meeting before as a guest and absolutely loved it. Everyone is so nice and it's a great atmosphere to be in."

Jennifer is a new member to ANEW and is the Assistant General Manager for Hampton Inn Dunn Hospitality Group. Thank you, Jennifer, for sharing with us!
