At each ANEW meeting there are three tables available to any member for promotion of special events. The tables are set up in the lobby area of our meeting facility except for the October Annual meeting and the December Holiday meeting.

Examples of appropriate use are: members wishing to promote a not for profit event for which they are volunteering and a seminar, workshop or event hosted by a member's place of business. Table space is not to be used by retailers selling items in the normal course of business.

Table space is available on a first come, first serve basis. You are responsible for removing the material from the tables after the meeting. If you are interested in securing table space please contact Katie Worman, Second VP - Programs at [knw@bowersharrison.com](mailto:knw@bowersharrison.com)
