A Note from the President...

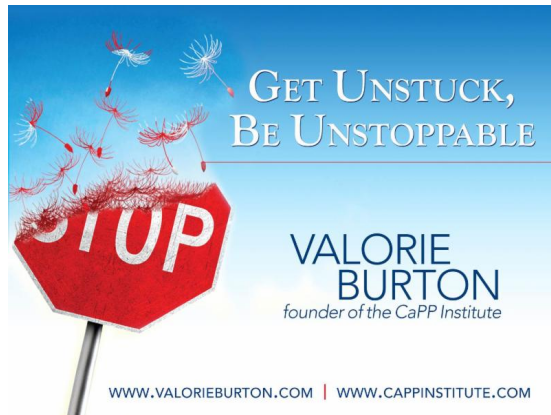

We recently celebrated the 4th of July. If your family is like mine, this meal is filled with picnics and fireworks. However, Independence Day did not start out this way. Instead it was established as a federal holiday to commemorate the adoption of the Declaration of Independence on July 4, 1776, declaring the 13 colonies a new nation. Massachusetts was the first state to recognize July 4th as a state celebration. However, the US Congress did not make Independence Day an unpaid holiday for federal employees until 1941, and in 1938 Congress changed the 4th of July to a federal holiday.

Our July membership meet will be a change from the past few meetings where we have focused on overcoming handicaps and improving ourselves. This month Mayor Lloyd Winnecke will join us and share recent happenings in our wonderful city as well as exciting things on the near horizon. This will be an interesting meeting as there have been numerous things recently started and/or announced in our city and area. As always, please feel free to email me directly at knw@wormanlegal.com with any questions, concerns, or suggestions.
