A note from the President...

Dear ANEW Membership,

With Thanksgiving upon us, many of us will celebrate with our family and friends around the dinner table, and giving thanks to those persons that we cherish the most. In my family, we have a yearly tradition to go around the table and say "What I'm Most Thankful For." I would like to take this opportunity to tell ANEW "What I'm Most Thankful For."

I'm most thankful for the support and attentiveness of our members at this year's monthly meetings. When I accepted the nomination for President last year, I was very nervous and felt lots of anxiety with the responsibility of leading our monthly meetings, and making sure to include every detail. Because of all of your support, this year has been filled with some nervous moments but mostly with a sense of pride in knowing that I'm doing my very best to represent ANEW's membership, and for that, I'm thankful.

I'm most thankful for the business and personal relationships that ANEW has afforded me over my eight year tenure. Because of ANEW, I have been given the opportunity to know and work with many terrific ladies that, just like me, don't have all of the answers to life. I know that I could call any one of the wonderful ladies in ANEW and ask them a question, and would receive helpful and honest feedback. This resource is invaluable to me, and for that, I'm thankful.

As my year as your President will end soon, please continue to email me suggestions or comments that you may have in order to improve ANEW for the future. As our membership grows, so do our needs, and wants, and we want to hear from you. See everyone at our next membership meeting on November 19th!

Best wishes,
MaNissa Lemon
