Letter from the President

Hello Fellow ANEW Members,

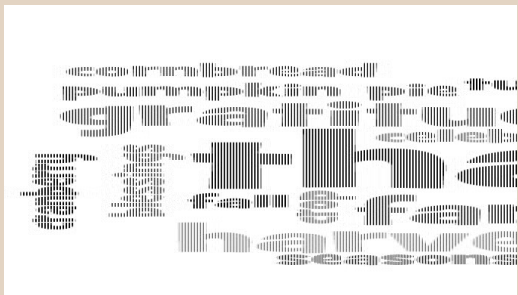

I can't believe it is November already! My term as your ANEW President has gone by way too quickly. I am so thankful for being given the opportunity to serve as President and to serve six years on the Board of Directors. Over the last several years I have held many different positions on the Board. I am grateful for the experience I have gained in each of these roles. ANEW has taught me a lot about getting out of my comfort zone, and trying to grow professionally and personally. It has taught me to also have more confidence in myself. We have a very smart, empowering group of women in our organization. My advice to you is to embrace them, get to know them, and learn something from them. I will be forever grateful for the relationships I have made personally and professionally through ANEW. I hope you have enjoyed this year in ANEW as much as I have. Now, I'm not going anywhere after my Presidency is over...I will remain an active member of this organization for a very long time. I will always be a huge advocate for ANEW!

I am looking forward to seeing everyone at the next monthly meeting on November 20, 2019...it is a week
