wardrobe, when it gets to this time of year. I've always been a fan of change. It provides variety and makes life interesting.

This month's ANEW meeting is our always popular, Just Networking, meeting. Be sure not to miss this meeting, it's always great to sit with new members and get to know them a little better with all the "conversation starters" the Programs Committee will have for us.

We will have our Annual Meeting on Wednesday, October 23. It is the only evening meeting we have each year but doing so allows us to enjoy some fun together after hours. Our Annual Meeting is a chance to celebrate our ANEW members by recognizing achievements and efforts, honor one outstanding ANEW member as the new Woman of Action, and provide attendees with an opportunity to learn more about ANEW and its initiatives. You will also get a chance to vote on the new Board of Directors slate for 2020. We want as many members to attend this meeting as possible and it is also open for guests to attend. We will also be sampling some food and drinks (beer/wine/cocktails) that the Special Events Committee has put together for us. I really hope you consider coming, you will not regret it.

As always, please feel free to email me directly at ahargett@workingdistributors.com with any questions or thoughts that you have about ANEW.
