Advertise with ANEW in 2023!

Did you know that consumer research consistently shows that women make more buying decisions than men? Women influence at least 80% of all household spending. Today your company's success may ultimately come down to how effectively you win business from women and inspire loyalty to your brand from your female customers.

Advertising with ANEW is the perfect way to invest in a crucial target market for your business. Monthly advertising options include, *Featured Advertiser*, *Monthly Advertiser*, *Special Events Underwriter* (October and December), and *Door Prize* opportunities. and 2022 will be gone. And while that's crazy enough, with long-term planning for work, family vacations and home renovations ... 2023 is already moving too fast for comfort.

It seems strange for this to be my last President's Letter, too. I've really enjoyed this platform as a way to reach out to you and (hopefully) capture some of the spirit and energy of our great organization. It's been an amazing year to be part of ANEW. We've had members recognized throughout the community with awards and accolades, proving the caliber of our women and our community. What an honor it has been to see their faces and say with pride, "I know them through ANEW." Or when hearing people name-drop movers and shakers in the region, to say "I sat with them last month at ANEW!" Or as we revel in mutual connections and networks to hear about past ANEW legends, still active in our workplaces and philanthropic efforts, to know they share a sisterhood of ANEW membership.

As we continue to grow out of the COVID slump, I'm reminded that there's a legacy to ANEW that extends beyond annual membership count. And this is NOT permission to NOT RENEW for 2022 (because we want to continue to get to know you better and learn together), but there is a Semper Fidelis type of spirit here, too. I believe we extend that same faithful promise to our fellow women who have been part of ANEW through the years. Sometimes we lose members due to career changes, relocations or just to our archnemesis ... schedule conflicts. But we welcome past ANEW members to rejoin in the same breath as we celebrate a career promotion that takes a member away. That doesn't mean we lose the connection or the deep relationship formed. Instead, we look forward to seeing those faces in the community in different venues and maintaining relationships in new ways.

I hope we all renew and see each other again in January. There is an amazing value in membership. Monthly accountability, amazing speakers, uplifting testimonials and opportunities to connect in a comfortable setting with friends. Plus that warm and fuzzy feeling you get when you know you're supporting an important mission - one that has helped build a new generation of women

leaders here in Evansville. A mission that we'll continue to serve in the next year and decades to come. So as this year, this month, this Presidency comes to a close, I hope you'll commit to ANEW for another year and recommit to our promise to our region, to promote the advancement of women in business and local leadership.

Cheers,

Claire
