President's Letter

Dear Members,

October is always a special month for our Network, and this year is no exception. At our Annual Meeting, we'll come together to celebrate the progress we've made and set the course for the future.

This month, you'll have the opportunity to:

- Vote on the new slate of board members who will help lead us forward
- Learn more about our updated strategic plan and the exciting direction it outlines
- Vote on new mission and vision statements that reflect who we are today and the impact we want to have tomorrow
- Celebrate the recipient of our *Woman of Action Award*, honoring a member who exemplifies leadership, service, and commitment to our community

As we focus on shaping our mission and vision, I've been reminded of Simon Sinek's book *Start with Why*. His central message is simple but powerful: knowing your "why" gives clarity, purpose, and direction, whether you're leading an organization or navigating your own path. I think it's a fitting perspective as we define our future together as a Network.

I'm grateful for each of you and the role you play in making the Network a place where women connect, grow, and lead. I look forward to being with you on October 29 as we honor our past, embrace our present, and step boldly into our future together.

With gratitude,

Aimee Stachura
