President's Letter

It’s November! Fall is in full swing. The air is more crisp and the leaves are turning beautiful shades of orange and yellow. Thanksgiving is right around the corner. November reminds of us of gratitude. I am especially thankful for the friendships and connections I have made through ANEW.

At our November meeting, we are honored to welcome Mayor Stephanie Terry, who will present an update on the State of the City. This is a wonderful opportunity to hear firsthand about what is happening in our community, the progress being made, and the opportunities and challenges that lie ahead.

I hope you’ll join us for what promises to be an informative and engaging meeting. As we head into the busy holiday season, I also encourage each of us to take a moment to appreciate the relationships we have built through this organization. Sometimes the most valuable part of networking isn’t the business connection we make. It is the friendship that grows from it.

See you all soon!

Michelle Smith
