Dear ANEW Membership,
Spring is here and so are the rain clouds. If the old proverb, "April showers bring May flowers" holds true, then we should have the most beautiful May ever. Even though the proverb makes reference to the weather, it's actually referring to something far bigger: patience. Sometimes we must endure unpleasant things, like rain, in order to bring out very enjoyable things, like flowers.

The proverb dates back to the 1550's to English poet, Thomas Tusser, who wrote poems about country life on his farm. He wrote that patience was the virtue that farmers possessed, and was the key to all success. I'm not an English poet but I must agree with Thomas Tusser. Even 464 years later, we all could use more patience in our lives, as we are tested constantly by others. I remind myself daily of how important patience is to my life, and that it is an essential key to the success in both my personal and professional life. I challenge each of you to exercise more patience in your lives, and try to "Stop and Smell the Roses."

Thank you to our Athena Panel, moderator, Angie Cooley, and the programs committee for a great meeting in March. It was very uplifting and enlightening to hear what these powerful, female leaders had to share with us, not to mention entertaining. If you weren't at the meeting, you truly missed an enjoyable hour of ANEW programs.

This month, be sure to attend on April 23rd to hear Terrie F Daniel, Deputy Commissioner of the Indiana Department of Administration for Minority and Women's Business Enterprises. She will be talking with our membership about how her department encourages and supports equal opportunities for minority and women run businesses. You won't want to miss it.

As always, please feel free to email me directly at mflemon@banterra.com with any questions, concerns or thoughts that you have about ANEW. Hope to see you all at our next meeting on April 23rd.

Best wishes,
MaNissa Lemon

MEMBERS UPDATE

Be sure to keep your profile up-to-date in our directory. Please be sure to email Lori Otzmann at anewexecsec@att.net of your changes to ensure that all files have been updated and that you are receiving the current ANEW information.

Five things you didn't know..... about Julie Sandefur

1. I was born and raised in St. Paul, MN and lived there till middle school. My mother remarried and we moved to Long Beach, NY. I lived in NY with my mother until I graduated from high school. My father was transferred from his job from MN to Evansville and I decided that when I graduated from high school, I was going to attend college closer to my father and sister. That is how I came to Evansville.
2. I feel that my greatest accomplishment was putting myself through college full time and working.
3. My biggest regret is not coming to live with my father before he passed away.
4. I help coach my son's soccer team through Newburgh Youth Soccer and Upwards Soccer, volunteer with Cub Scouts and Vacation Bible School.
5. My first paying job was walking dogs.

Table Space Available to Promote your Business

At each ANEW meeting there are three tables available to any member for promotion of special events. The tables are set up in the lobby area of our meeting facility except for the October Annual meeting and the December Holiday meeting.

Examples of appropriate use are: members wishing to promote a not for profit event for which they are volunteering and a seminar, workshop or event hosted by a member's place of business. Table space is not to be used by retailers selling items in the normal course of business.

Table space is available on a first come, first serve basis. You are responsible for removing the material from the tables after the meeting. If you are interested in securing table space please contact Katie Worman, Second VP - Programs at knw@bowersharrison.com
