**2020 ANEW Meeting Dates**

Greetings! As I write this letter, the sun is shining and fresh air blowing through the window of my home office. The last few weeks have been challenging for many and no doubt there will still be challenging times ahead, but today I choose to be thankful for nature's beauty and a moment to connect with you - even if it is electronically. As Carrie Fisher said, "Going through challenging things can teach you a lot, and they also make you appreciate the times that aren't so challenging."

Unfortunately, this is the second month we will miss gathering together in person. Due to the continued recommendations of social distancing, the April Membership Meeting has been cancelled. Although we are unable to meet in person during this time, technology allows us to remain connected in other ways through virtual meetings and video chats, texting and even the lost art of writing letters or talking on the phone. I encourage you to seek ways to maintain connections with fellow ANEW members and to support one another both professionally and personally now and in the coming months. After all Jellis Vaes reminds us that, "...no one ever said life would be easy, but it is also true that no one ever said you had to go through it alone."

**REMINDER:** Check out the website and watch your email for continued communications from the Board!
