BOARD NOMINATIONS FOR 2015

It is time to evaluate the slate for the 2015 Board of Directors and the related officers and chair positions. There will be two board of directors terms ending this year, so we will be requesting nominations from the membership for a minimum of 2 board of director spots.

Life Doesn't Stand Still and Neither Should Your Investments.

Reviewing your portfolio can help investments keep up with your changing needs.

Over the long term, time can have as much of an effect on you as it does on your investments. Whether it's marriage, children or the inescapable fact that you're older now, things change.

While you can't hold back tomorrow, you can make sure your investments match your current circumstances and goals. That way, your portfolio can continue to work for you in the future.

Fortunately, getting back on track can be simple. A complimentary Edward Jones portfolio review can help you identify where your investments stand in relation to your goals and how to get them moving in the right direction. This way, you can keep time on your side.

A note from the President...

Dear ANEW Membership,

I can't believe that the summer is almost over and kids are going back to school. As a mother of a 6th grader starting at a new school, she is going to be experiencing many anxieties and stresses that come along with entering a new school: new teachers, new classrooms, new students, new rules, new everything. Walking into a new school, with new people can often challenge us to use our best networking skills to break the ice and make new friends, just like attending your first ANEW meeting.

I remember attending my first ANEW meeting as a guest. I was very nervous, had lots of anxiety and was a little stressed by not really knowing anyone in the very large room of strong women. New members and guests can often feel the same way that I did but we are trying to change that. Thanks to our Orientation Chairperson, Vicki McDonald, and her Orientation Committee for coming up with our new Member Orientation Happy Hour events. The Orientation Committee is trying to take away the anxieties and stress of attending monthly meeting by not knowing anyone. Orientation Happy Hour allows new members and guests the opportunity to meet outside of the traditional meeting time, in a more relaxed environment, network with other members, enjoy some food, have a cocktail if they choose, and engage in more one-on-one conversations. The Happy Hour event is offering new members the occasion to meet more members and to feel like they are a part of ANEW. For guests, the Happy Hour Events are giving them a reason to want to join. If you haven't made it to one of these Happy Hour events, you are missing out on all of the fun. Great job Orientation Committee for making our members feel more comfortable and connected to our group!

ANEW has many wonderful programs and events coming up soon, so

Examples of appropriate use are: members wishing to promote a not for profit event for which they are volunteering and a seminar, workshop or event hosted by a member's place of business. Table space is not to be used by retailers selling items in the normal course of business.

Table space is available on a first come, first serve basis. You are responsible for removing the material from the tables after the meeting. If you are interested in securing table space please contact Katie Worman, Second VP - Programs at kw@zosslaw.com
