What do you value most about being a member of ANEW? For some it's the opportunity to network with professional women and grow their circle of influence. Others enjoy the monthly programming and the chance to hear topics that advance women in our community both personally and professionally. Still others enjoy the chance to form friendships and learn from peers.

We all have a reason we joined ANEW and a reason we stay involved. As you consider your "why", we challenge you to think about other professional women in your network who might enjoy learning more about our organization. The Membership Recruitment Event is the perfect time to invite a guest to hear more about ANEW and meet some of our members while enjoying appetizers and wine in a relaxed setting.

President's Letter

Hello and Happy August!

As you make your plans for the end of the year, I hope you make sure to include ANEW.

Our attendance at the monthly meetings continues to steadily increase. We've had some phenomenal guest

speakers and the presentations have been top-notch. The great programming continues this month and will go on throughout the rest of the year. If your schedule hasn't allowed you to join us recently, I hope to see you soon. Guests are always welcome too!

If you've been thinking about inviting someone to join ANEW, now is the perfect time. You can bring a guest to any of our monthly meetings, but there is a special opportunity to introduce a colleague to ANEW in September in a more informal, social setting. The ANEW Recruitment Event is scheduled for September 23rd at the home of member, Jan Davies. It is after work, from 4:30-6:30pm. There is more information on the ANEW website.

It's also time to nominate a Woman of Action. This prestigious annual award goes to one of our members and is nominated by YOU. The WOA is selected based upon her professional achievements, personal accomplishments and volunteer commitments. The nomination forms are available online and it's a very simple 3-question form. Our membership is packed with amazing women and so many of them are worthy of this award. The winner is announced at the October Annual Meeting.
