Letter from the President

Merry Christmas ANEW friends,

I cannot believe this will be my last President's letter of my term. I feel like it was just yesterday when I began my term as President. How time flies. My mom was right when she told me that as I got older, time would go faster.

As I look back on the year, ANEW has much to celebrate. The organization began in 1981 and is still going strong, offering professional women in our community an opportunity to connect and grow together. Here are a few highlights:

- We have members that have been with ANEW for over 20 years and we also gained 30+ new members this year.
- Our programs have been exciting, informational, and inspiring. The Programs Committee has done a phenomenal job of bringing a wide variety of speakers and topics for our meetings.
- We honored one of our outstanding members, Lisa Slade, as the 2018 Woman of Action!
- There were multiple opportunities to network outside of our monthly meetings - 2 ANEW challenges, golf outing, recruitment event, etc.

It is because of all of you that these accomplishments were possible - by those of you that get involved and volunteer your time through committees, the Board of Directors efforts, and you - the members who believe in the power of networking with other women.

Thank you for your dedication to ANEW and its mission to elevate the women in our community.

In closing, I would like to wish you and your family a Merry Christmas and a happy, healthy, and rewarding 2019 and beyond!

Sincerely,

Jill Rawley
ANEW President 2018

Membership Profile

5 Things you Didn't Know about Lindsay Botsch

1. When she was in Elementary School, she was a tomboy. She grew up on a farm and loved to play in the dirt and help on the farm.
2. When she was in high school, she despised PE class and never played any sports. She didn't become physically active until she was in her mid-20s. Who knew she would end up running marathons!
3. When she was in college, she was a non-traditional student, working full-time and going to school in the evenings.
4. When she was little, she wanted to be a teacher when she grew up.
5. She would love to vacation to Italy to see the history, eat delicious Italian food and visit wine country!

Lindsay is the Vice President, Commercial Banking with German American Bank. She has been a member of ANEW for 5 years.

Thank you, Lindsay, for sharing with us!
