President's Letter

Hello!

Happy December!

As I prepare for my last ANEW meeting as President, I am reflecting on one thing I look forward to each month. It's going to sound silly, but I love looking for the end-of-meeting quote. I try to find a

quote by a strong woman that also ties into our monthly speaker topic. I want it to be short, sometimes funny and memorable. I also try to not have it be such a well-known quote that it's been used previously. It's not always easy.

I probably spend more time looking for a quote than I should. But I want to leave you with something to smile about as you walk out of the meeting each month. You do so much to be part of our group that the least I can do is leave you with a positive thought as you walk out the door.

I'm so grateful for what you bring to ANEW. Our women's networking group is nothing without its valued members. There is no ANEW without YOU. Some of our members have been part of this wonderful organization for dozens of years. Some of you never miss a meeting. Some of you bring new potential members each month and invite them to join. I appreciate what you bring to your table each month- the great conversation, the business connections, the networking opportunities and the new friendships you make with those around you.

It is a privilege to sit in a room with you each month. I can't wait to do it again on December 15th. And as you leave at the end of our special year-end meeting, I hope you will walk away with a smile, ready to come back and start it all over again in January.

See you soon,
Angie Richards Cheek
