President's Letter

And just like that...my year as President of ANEW is coming to a close. It has been an honor to serve this wonderful group of women the last six years and I am proud to be part of this organization. I know the incoming Officers and Board of Directors will do great things in 2024! You can be a part of the success story of ANEW by joining a committee and contributing your time and talent. Most committees will require less than an hour of your time each month!

Don't forget that the December meeting is our Holiday Bazaar! Vendors will be set up available from 11:00-2 so plan to arrive early to shop and network! Special thanks to the Special Events committee for setting up this fun event.

Christmas has never lost its magic for me – I love the traditions, carols, parades, movies, cookies, special meals and even the shopping and gift wrapping! I love putting the decorations out (I've lost count of the Santas and in my house) and although my tree holds a hefty 400+ ornaments, I can recall where most of them came from as they have been lovingly curated over the years.

I wish each of you a very Merry Christmas and special holiday season. No matter how you celebrate, may it be the best year ever!

With gratitude for my many blessings,
Rita

Mentoring Program with ANEW

We've welcomed several new members to ANEW already this year and have had several guests join us at our monthly meetings. As the year goes on, don't forget about the new offering we launched this year to expand ANEW to local women at earlier stages of their careers. The ANEW Mentoring Program exists to create a more diverse organization and broaden our reach to more professional women.

The main objective of the Mentoring Membership program is to promote growth of ANEW by investing in the next generation of our community leaders while mentoring and inspiring their leadership potential. You can learn more on our website, and feel free to invite guests each month who would benefit from our wonderful network of professionals.

11:30 am

This will be a different style of meeting unlike anything we have had before. We will have a vendor fair style prior to the meeting, a quick lunch meeting and then you will be able to visit with 4 different vendors of your choosing to learn a way to improve that area of yourself, your health or your business. Complete list of vendors will be posted soon.
