February Membership Meeting I Love Networking!

Embrace the Power of Connection
Join us for an extraordinary afternoon of networking, inspiration, and camaraderie at our exclusive February Luncheon. This event is not just an ordinary gathering; it's a celebration of women empowering women, and this time, we're adding a touch of love to our networking journey.

Wear Your Passion: Red Attire Encouraged!

We invite all our cherished members and esteemed guests to paint the room with a sea of red! It's not just a dress code; it's a statement. Red symbolizes confidence, strength, and the shared energy of our incredible network. Let's make a bold, collective statement that says, "I Love Networking, and I'm here to make meaningful connections!"

President's Letter

"How do we change the world? One random act of kindness at a time."
— Morgan Freeman

Happy February!

Did you know that February 17th, is "Random Acts of Kindness Day?" This month challenge yourself to reach out to at least one ANEW member for coffee or lunch in the spirit of kindness and networking.

Speaking of networking, our February meeting will be a great opportunity to establish or reinvigorate your connections with fellow ANEW members and their guests. Our "Just Networking" meetings are always popular as we spend additional valuable time in conversation that is not always possible when we have a speaker. I encourage everyone to seek out at least a few new faces. While you expand your networking circle, you might just meet a business contact or

please bring them as a guest to our January membership Meeting. *Click the link below for the application for membership!*
