## A Note from the President...

February is a very special month to many of us, as it is the month we observe Valentine's Day. Valentine's Day originated in the Middle Ages, by Saint Valentinus, who is said to have written notes to his loved ones right before his untimely passing on February 14th. These love notes were nick-named, Valentines, and how the holiday tradition came to be what it is today. In my house, my daughter and I spend lots of time writing and decorating Valentines to send to our loved ones. We want our family and friends to know how much we love and appreciate them. During the month of February, I challenge each of you to send out notes to your closest family and friends, and remind them how much you love and appreciate them. Without a great support system, none of us could be successful.

February is also an important month for ANEW, as we celebrate our thirty-third anniversary. The first ANEW meeting was held on February 19, 1981. Eleven women from different professions attended this meeting. Based on this level of interest shown, it was decided that there was a need for a women's professional networking group in the Evansville area. Each one of those eleven women invited three additional women to attend the next meeting. On March 17, 1981 over 30 women attended that meeting. Today, ANEW has grown to around 100 women attending monthly meetings, and has over 130 members

To celebrate our founding month, ANEW is hosting our 2nd Annual Founder's Day Breakfast on February 19th, from 7:30am-9:00am at the Evansville Country Club. This event was created to celebrate ANEW's rich history, and recognize founding members, past ANEW Presidents and Woman of Action winners. The cost to attend is \$14.00 and you must *RSVP by February 14th* to Stephanie Gerhardt, 2014 Membership Chair, at [stephaniemgerhardt@gmail.com](mailto:stephaniemgerhardt@gmail.com).

You won't want to miss this month's general membership meeting on Wednesday, February 26th. We will be having our first "Just Networking" sessions for 2014. Sticking with the theme of love, the Program Committee has titled this networking session: **H.E.A.R.T** (Happy and Enthusiastic About Reaching out To each other). Invite lots of guests to attend and remember to bring lots of business cards. Our just networking meetings are a great opportunity to meet someone that you didn't already know in ANEW, and meet a new business partner or gain a new friend. I hope to see you all there!  
Best wishes,

## Table Space Available to Promote your Business

At each ANEW meeting there are three tables available to any member for promotion of special events. The tables are set up in the lobby area of our meeting facility except for the October Annual meeting and the December Holiday meeting.

Examples of appropriate use are: members wishing to promote a not for profit event for which they are volunteering and a seminar, workshop or event hosted by a member's place of business. Table space is not to be used by retailers selling items in the normal course of business.

Table space is available on a first come, first serve basis. You are responsible for removing the material from the tables after the meeting. If you are interested in securing table space please contact Katie Worman, Second VP - Programs at [knw@bowersharrison.com](mailto:knw@bowersharrison.com)
