stand out.

February is also a special month for ANEW because it is the 36th anniversary for ANEW this month. On February 19, 1981 the first ANEW luncheon was held with 11 attendees. Each attendee agreed to invite three women to attend at the next meeting and on March 17, 1981, thirty women attended the meeting. Today, we have grown to a membership of around 130+ women in ANEW which is something to be very proud of. We thank are founding members for starting this networking group and making it what it is today.

On February 15, 2017, at our meeting this month will be our very first networking session. The programming committee has worked very hard and listened to the surveys by many requests to host this session. This month I challenge you to invite one or two members to our luncheon and bring plenty of business cards to pass around.

Happy Valentine!

ANEW President
