

## January 2024

### **January Membership Meeting**

Our January meeting will be "New Year, New You!" This meeting will be a different format than we have ever had. We have nine vendors that will be joining us. During the networking time, you can visit with each vendor to learn about what services they offer. At noon, we will have a quick meeting while enjoying lunch. During lunch, Leigh Perry will offer tips on how to make your networking more effective. ## **President's Letter**

Hello, Welcome, and  
Happy New Year!

Hopefully you each had  
an opportunity to enjoy  
the holidays and the  
many special moments  
that this season entails.

This year marks my tenth year as an  
ANEW member and I have served in  
many capacities during this time. We  
have a long line of talented past  
presidents, including our last president,  
Rita Joest, who brought many years of  
membership and expertise to ANEW and  
our Board.

As we start "anew" another year, I  
encourage you to make the most of your  
membership by getting involved in a  
committee and making a point to sit with  
someone who you do not know well at  
our monthly meetings.

Please also consider inviting a few guests  
to attend a monthly meeting with you  
throughout 2024. We want our  
organization to continue to grow and  
thrive with our local talent. When you rsvp  
for yourself, you can also rsvp for your  
guest. Please remember that there is a  
\$25.00 guest fee that is due at check in,

## **Committees need your help for 2024!**
