A Note from the President...

Happy New Year! I hope everyone had a wonderful holiday season with family and friends. If you're like me, the holidays seem to go by way too fast, but I cherish every moment. As we move into the New Year, I enjoy looking back on the previous year to reflect on both accomplishments and defeats. With every challenge comes a lesson learned and growth from that experience. Setting resolutions, striving to attain them, and always thinking that anything is possible comes with the start of a New Year.

As I embark on my journey as ANEW's 27th President, I would like to thank all 26 previous Presidents for their years of service, progressive thinking and actions that have made ANEW the wonderful organization that it is today. Last year ANEW celebrated our 32nd year anniversary. We honored our anniversary by hosting our first ever Commemorative Breakfast in February, and by holding an

ANEW Past Leadership panel at our November meeting. These meetings reminded us about ANEW's rich history and how our organization has evolved over the years. From that original meeting with 11 strong, professional women; today's ANEW has grown to over 130 active members.

In 2013, ANEW saw a large increase in membership as we focused our efforts on retention, and recruitment of new members. I'm excited to reveal that ANEW ended the year with 138 members, and of those, 119 members have already renewed for 2014! If you haven't already submitted your renewal, please do so by the final membership renewal deadline of February 15th to maintain your current ANEW membership.

ANEW is an organization that supports women in business, provides monthly occasions to network with other professional women and opportunities to form invaluable relationships. As a 6 year member of ANEW, I'm both proud and honored to belong to this organization. ANEW has done so much for me both professionally and personally. I find myself sharing my ANEW experiences with other professional woman, who are looking to expand their networks. I encourage all of you to think of those you know that would benefit from becoming a member of ANEW, and invite them to a meeting in 2014. I promise your guests will enjoy their time shared with us and want to come back again and again. 2014 is going to be another wonderful year in ANEW!

Best wishes,
MaNissa Lemon

Table Space Available to Promote your Business

At each ANEW meeting there are three tables available to any member for promotion of special events. The tables are set up in the lobby area of our meeting facility except for the October Annual meeting and the December Holiday meeting.

Examples of appropriate use are: members wishing to promote a not for profit event for which they are volunteering and a seminar, workshop or event hosted by a member's place of business. Table space is not to be used by retailers selling items in the normal course of business.

Table space is available on a first come, first serve basis. You are responsible for removing the material from the tables after the meeting. If you are interested in securing table space please contact Katie Worman, Second VP - Programs at knw@bowersharrison.com
