Have you met
Melanie Fairchild?

As the 30th ANEW President, I am looking forward to help lead our progressive organization. Our past presidents have done a tremendous job on shaping our organization to what it is today with 140 members at the end of 2016. The membership committee has helped us grow this number, the orientation committee has helped us retain our members. The programs committee with their wonderful programs each month from educational programs to just networking programs. There are so many moving parts with this organization I would like to thank everyone for their commitment and support over the years.

As a 7 year member of ANEW, I am proud to be a part of this organization that supports women in business and provide networking opportunities and allowing us to build lifelong relationships. I encourage you to join a committee or invite or sponsor other professional women that may benefit from ANEW.

I am looking forward to a great 2017 and see you at the next meeting.

Happy New Year!
Rita Bauer

Examples of appropriate use are: members wishing to promote a not for profit event for which they are volunteering and a seminar, workshop or event hosted by a member's place of business. Table space is not to be used by retailers selling items in the normal course of business.

Table space is available on a first come, first serve basis. You are responsible for removing the material from the tables after the meeting. If you are interested in securing table space please contact Joyce Molinet at jmolinet@evansvillepolice.com
