Letter From the President

The 4th of July is always a big event in my family. We have family, friends and a picnic with lots of food, big fireworks and a nice day off. We can thank our fore-fathers for helping us derive freedom and independence from Great Britain in 1776. Because of their hard work and great efforts we get to enjoy our lives in freedom.

Last month, we were able to enjoy a great topic from Amy Payne "Organizing for Work Life Balance." She provided a lot of great tips on how to be more efficient in our busy lives. My personal favorite is to start online shopping for groceries.

We have received a lot of requests for our next month's topic "Public Speaking" and we are able to have Tammy Pickering speak to us about it at our upcoming meeting. I'm not sure how the membership feels, but public speaking always stirs butterflies in my stomach. I'm looking forward to learning more at our next meeting.
