President's Letter

Hello, ladies!

And just like that...July 4 has passed and though the calendar says we've barely begun the summer season, the retail world has fast forwarded to fall! I've seen witches and pumpkins in several stores but I'm not ready to give up on summer just yet!!

ANEW has a number of great programs ahead and I encourage everyone to make your reservations and be thinking about who you know that would benefit from membership in our organization. Guests are allowed to attend twice at the cost of \$25 per meeting. Hopefully your guests will consider joining us and applications can be downloaded from the ANEW website. Completed applications can be sent/given to Jessica Engel, Lori Otmann or any ANEW board member.

If you would like to get more involved in ANEW and be considered for a board position or specific committee, please reach out! While I'm holding onto summer, I also realize that our Annual Meeting and the election of new officers is just a few months away in October. That also means that our Special Events committee is hard at it preparing for a festive and fun pre-meeting celebration. Nominations for our Woman of Action award are open and you can find information on the web page on how to proceed with nominating a deserving member for this prestigious honor!

I hope you are having a fabulous summer and I look forward to seeing you all soon at our networking meeting on July 26!

Rita

Mentoring Program with ANEW

We've welcomed several new members to ANEW already this year, and have had several guests join us at our monthly meetings. As the year goes on, don't forget about the new offering we launched this year to expand ANEW to local women at earlier stages of their careers. The ANEW Mentoring Program exists to create a more diverse organization and broaden our reach to more professional women.

The main objective of the Mentoring Membership program is to promote growth of ANEW by investing in the next generation of our community leaders while mentoring and inspiring their leadership potential. You can learn more on our website, and feel free to invite guests each month who would benefit from our wonderful network of professionals.
