President's Letter

Hello and happy summer!
We are halfway through the year and it seems like it's flying by. We have so much more to look forward to with ANEW.

I can't wait for the upcoming Membership Appreciation events. You will have your choice of two dates this summer for lots of fun with Thyme in the Kitchen. Yep, a cooking class with appetizers, cash bar and shopping discounts. Spots are limited so make your reservations quickly.

We've got more amazing monthly meeting speakers lined up. I've been a member of ANEW for ten years and am still amazed at the quality of presenters our Programs Committee brings in. I love learning new things about our community, developing professionally and enjoying networking time- and ANEW is the perfect blend of all three!

We've still got a recruitment event, annual meeting and the much-anticipated December meeting coming up and I know the planning committees are working hard to make these spectacular.

Of course the most important part of each of these meetings and events is you- our members! I hope to see you on June 23rd at our next meeting!

Sincerely,
Angie Richards Cheek
ANEW President
