where we move our clocks ahead to enjoy more sunshine every day, and it also means that Spring is just around the corner. Every year in March, I feel a sense of renewed spirit, and people and things seem to come alive again. The flowers begin to bloom, nature turns from brown to green, birds are singing, and there always seems to be an excitement in the air. For many of us, that excitement comes from upcoming vacations; either Spring or Summer. This year on Spring vacation, I'm excited to be going somewhere I've never been before, Mexico.

After completing four years of Spanish in high school and one semester in college, I'm looking forward to trying out my skills in Mexico. Since it has been (I'll let each of you fill in the blank) years since I was in school, I've been brushing up on basic sentences and phrases that will come in handy during my travels. Thanks to the Rosetta Stone Spanish Travel app on my phone, I'm beginning to remember some of the words and sentences my teachers taught me years ago. So when you see me in April, please remember to ask me about my success or failed attempts to speak the language in Mexico. Either way, I'm looking forward to some clear skies, blue water and sand between my toes.

ANEW is also springing forward with new things happening to our website. Thanks to Lauren Jones and her Technology Committee, our website is getting a makeover. Members will soon see new features and additions to the site, so stayed tuned.... We had a nice turnout of ANEW members and guests for February's H.E.A.R.T. (Happy and Enthusiastic About Reaching out To each other) just networking session. Great job to Katie Worman and the Programs Committee on another successful event. You won't want to miss this month's meeting when we host the last three Athena recipients in a panel discussion moderated by Angie Cooley. Make plans to attend and bring lots of guests.

As always, please feel free to email me directly at [mflemon@banterra.com](mailto:mflemon@banterra.com) with any questions, concerns or thoughts that you have about ANEW. Hope to see you all at our next meeting on March 19th. Adios!

Best wishes,

## Five things you didn't know..... about Lori Otmann

- I work for the EVSC as a Kindergarten Assistant
- I have coached the Highland Volleyball team for 8 years. I have accumulated a 77 win and 8 loss record during that time.
- I have traveled to 48 of the 50 US states (missing Alaska and Hawaii) but have also traveled to Canada and Mexico.
- I have two older brothers, Jeff and Larry that nicknamed me "Bill" when I was younger since they wanted another brother.
- My dream job would be an event planner. I have successfully planned birthday parties, sport team parties, picnics, fund raising yard sales, and the most recent was After Prom for Central High School. I was told that the After Prom had the highest attendance record for Central.

### Table Space Available to Promote your Business

At each ANEW meeting there are three tables available to any member for promotion of special events. The tables are set up in the lobby area of our meeting facility except for the October Annual meeting and the December Holiday meeting.

Examples of appropriate use are: members wishing to promote a not for profit event for which they are volunteering and a seminar, workshop or event hosted by a member's place of business. Table space is not to be used by retailers selling items in the normal course of business.

Table space is available on a first come, first serve basis. You are responsible for removing the material from the tables after the meeting. If you are interested in securing table space please contact Katie Worman, Second VP - Programs at [knw@bowersharrison.com](mailto:knw@bowersharrison.com)
