## A Note from the President...

Dear ANEW Membership,

ANEW is getting an online makeover, thanks to the tireless work of our Technology Committee. Based on our membership survey feedback, ANEW's Board of Directors decided to move forward with a brand new website for 2014. ANEW's redesigned website is hoping to go live in late June, and will have many new features that you have requested. If you are at the May meeting, you will get a teaser look at the new site with these new features including an interactive photo gallery, Facebook and Twitter live feeds and so much more. A big "Thank You" to Black Pixel studio for taking some great photographs at last month's meeting, and for being here again this month to take some additional shots. These pictures and live shots will be showcased on ANEW's website. In addition, they are creating a new membership recruitment video about ANEW to go on our home page. I'm really excited to see our new website, and for all of you to see it as well.

Please remember that all reservations for monthly meetings MUST be completed through our online reservation system. Please contact Lori Otmann or myself with any questions that you might have regarding our online reservation system.

As always, please feel free to email me directly at [mflomon@banterra.com](mailto:mflomon@banterra.com) with any questions, concerns or thoughts that you have about ANEW. As our membership grows, so do our needs, and wants, and we want to hear from you. Hope to see you all at our next meeting on May 28th as we learn "What Every Woman Should Know About Their Vehicle". This meeting should be helpful and informative as we kickoff vacation season. See you there!

Best wishes,  
 MaNissa Lemon
