5 Things you Didn't Know about Ann Pendley

1. When she was in elementary school, she was a major tomboy. She played the flute and trumpet but really wanted to play the saxophone. However, the only sounds she could make with a saxophone were high pitch squeaks.
2. When she was in high school, she was in several school plays and swing choir (they

Letter from the President

Greetings fellow ANEW members,

I cannot believe that the school year is ending in a few weeks and summer is almost upon us. This is absolutely my favorite time of year. The sunshine and long days have such a positive effect. I particularly enjoy taking walks with my kids and enjoying some wine with my husband on our back deck.

Do you know what else I am excited about? Our current membership level is at 130 which is fantastic! We still have plenty of room to grow, though. I want to remind you that as a member, you have the opportunity to win a cash prize at the Annual Meeting for bringing in the most new members this year. As of now, we have a three-way tie - Rachel Dierlam, Caron Leader, and Lindsay Botsch - they each have brought in 2 members so far. Great job ladies! I think all of you have an opportunity to win - so help spread the word about our amazing organization and you just may get a little something for yourself in return.

See you soon,
Jill Rawley

were called the M & M's) and performed at many venues. The two venues she enjoyed most were nursing homes and Disney World in Florida.

3. When she was little she wanted to be a semi-truck driver when she grew up.
4. She would love to vacation in Costa Rica to mountain bike through the rain forest.
5. If she won the lottery, her winnings would go to animals and nature.

ANEW will host the 2nd Annual Golf Outing on June 19th at the Evansville Country Club. The event begins with lunch in the ballroom at 11:30 and then we will head out onto the course for a 9-hole golf scramble. Afterwards, light appetizers and drinks will be served while we announce the winners for the day.

We have asked local golf expert, Brian Myrick, to share his knowledge and passion for the sport during the event. Brian has spent much of his career in the golf industry where he served in multiple capacities around the country, most recently as the Head Golf Professional at Oak Meadow Country Club. During our event, he will present a short informational speech and demonstration during lunch and will then stay on one of the tees during the scramble to assist everyone.

We want to encourage everyone to come, even if you have never golfed before. The scramble is exclusive to ANEW members and a guest.

Please RSVP by emailing Lori Otzmann at info@evansvilleanew.org. When you email Lori, please note if you own your own golf clubs. If you don't, we will try to pair you with someone that can share their clubs. One last thing, ECC members with golf privileges, please let Lori know that you are a golfing member so we do not get charged for your green fees.
