Our December *Holiday Lunch & Christmas Bazaar* will be:

A Note from the President...

Thanksgiving is almost upon us, and many of us will soon be celebrating with family and friends. Amidst all of the get-togethers, food, and start of the Christmas Shopping Season, we sometimes forget to stop and think about what we are thankful for. So this year, I have

decided to share with you what I am thankful for.

I am thankful for my husband John and his support and encouragement to start my own law office this year. Without him, I never would have taken this step. I am also thankful to have this opportunity which has proven to be a challenge at times but also allowed us to start to do things and go places that we have always talked about going.

I am thankful for the ANEW Board of Directors and committees and their hard work and dedication. Without them, our programs including the October Annual Meeting would not be possible. The Board members and committee members have allowed us to have wonderful programs all year long, have increased our social media presence and continue to make improvements to our website, have recruitment and welcomed new members and so much more.

I am thankful for our ANEW members and for their attendance and support. I was a little nervous to serve as the 2016 ANEW President and start my new professional journey at the same time. However, many ANEW members, with whom I have developed personal and professional relationships, have encouraged me throughout this year and provided ideas, assistance, and words of wisdom when needed.

I am thankful for these relationships that I have built. When I first came to ANEW in 2008, I felt completely out of place but my sponsor Kay Pechin told me to come back. I did. She told me to join, and I did. ANEW has allowed me to be part of committees, to serve on the Board of Directors for 6 years and in

several leadership positions on the Board. I have been able to develop close friendships with many members and professional relationships with others. I am no longer scared to walk into the room but instead look forward to seeing everyone.

There are so many other things that I am thankful for that I could fill the entire newsletter. However, these are my top things for this year. I hope that you have the opportunity to come to the November meeting which is our "Just Networking" meeting and to start to build the relationships that ANEW has allowed me to build. As always, please do not hesitate to contact me with questions, concerns, or comments. I hope to see you at the November meeting!
