**Letter from the President**

Hello Fellow ANEW Members,

Believe it or not, November is already here. I really enjoy this time of year mostly because of Thanksgiving and the holiday season arriving - not the cold weather! At Thanksgiving, it is more of focus on relaxation and family and thankfulness. (Except for the Black Friday shopping which I partake in each year with all of my cousins!). As I reflect this year, I have thought about all of the reasons that I am thankful and here are just a few:

- My family - I am blessed with a wonderful husband and two amazing daughters who are my life!

- My extended family - I cannot do what I do without the love and support of my extended family. They are incredible people and help me in countless ways.
- My friends - I have always valued my friendships and have worked hard to maintain them after all of us started our own families. These friendships have proven to be even more treasured as I age.
- My job - My company and the people I work with are simply amazing! I am really lucky to have an employer who values me, trusts me, challenges me, supports me, etc. Hafer rocks!
- ANEW - yes, ANEW, is on my list! I have really enjoyed serving as your President this year and I am thankful for all of the wonderful relationships I have built through ANEW both professionally and personally.
- Everything else! I could really have a list a mile long but I won't bore you with more.

I hope that each and every one of you have a wonderful Thanksgiving and enjoy some relaxing time with family and friends. I will see you at the next meeting!

Sincerely,  
 Jill Rawley  
 ANEW President 2018
