President's Letter

Hello and Happy October!

It's the last quarter of the year and if your calendar is like mine, it is jam packed with activities and projects! Please mark your calendar and make your reservations now for the rest of the year as you won't want to miss a single meeting!

Our Annual Meeting is October 25 with special events and activities, the introduction of new officers and board members for 2024 and the announcement of our Woman of Action award winner. The Special Events committee has been working planning this event. If you see Janet Schultheis, be sure and thank her for underwriting this event through her Edward Jones office!

November is always a BIG meeting as Mayor Winnecke will join us and provide updates from City Hall. If you plan to bring a guest, be sure to let them know that payment is due when they check in if you are not covering their lunch fee.

The Holiday Market plans are coming together with a great array of vendors. Kemper CPA is our underwriter for this event, so cheers to them and Michelle Smith for their continued support.

At our last meeting we had 10 members who reserved a spot but did not attend. I know things come up but encourage you to please cancel with Lori or online. No shows create a waste of club resources, food and set up time.

Thank you again to all who have served on committees this year. If you would like to join a committee, please reach out! We will gladly put you to work!

Best,
Rita

Mentoring Program with ANEW

We've welcomed several new members to ANEW already this year and have had several guests join us at our monthly meetings. As the year goes on, don't forget about the new offering we launched this year to expand ANEW to local women at earlier stages of their careers. The ANEW Mentoring Program exists to create a more diverse organization and broaden our reach to more professional women.

The main objective of the Mentoring Membership program is to promote growth of ANEW by investing in the next generation of our community leaders while mentoring and inspiring their leadership potential. You can learn more on our website, and feel free to invite guests each month who would benefit from our wonderful network of professionals.
